School Leadership And Administration: Important Concepts, Case Studies, And Simulations (B&B Education)

Synopsis

School Leadership and Administration is fundamentally a text about leadership for any situation. Primarily focused toward school leaders, School Leadership and Administration offers global application with its principles for those who may be in areas such as higher education administration, military educational training programs, agency management, and government services administration. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect[®] is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook[®] - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Richard A. Gorton received his doctorate from Stanford University, majoring in school administration. His Bachelor's Degree in Political Science and his Master's Degree in Counseling and Guidance were conferred by the University of Iowa. Dr. Gorton's school experience includes teaching, counseling and guidance, and administration. He was Department Chairperson and Professor of Administrative Leadership and Supervision at the University of Wisconsin at Milwaukee. He is currently a consultant with Gorton Associates in San Diego, California. A leader in state and national administrator organizations, Dr. Gorton has collaborated on a national study of "the effective principal." Because of his expertise and practical experience, he has frequently been called on as a consultant and workshop leader in the areas of teacher and administrator evaluation, in-service education, program evaluation, instructional supervision, student disciplinary problems, school-community relations, problem solving, and conflict resolution. Dr. Gorton has published two textbooks, two monographs, and over 100 articles, book reviews, and abstracts on a variety of topics related to educational administration and supervision, as well as education in general. Dr. Gorton's other textbook for which he was senior author, *School-Based Leadership: Challenges and Opportunities*, is used in numerous university courses devoted to administrator preparation and by school districts for in-service education. He has also served as senior editor for *The Encyclopedia of School Administration and Supervision*. Judy A. Alston, Ph.D. is Chair & Professor of the Department of Leadership Studies at Ashland University. Her research foci include Gender and Educational leadership with a focus on Black Female school superintendents; Urban Education and Educational Leadership highlighting administrative reform in urban schools; and Diversity and Educational Leadership exploring how the intersections of class, race/ethnicity, gender, sexual diversity, and ability affect leaders. She is author of numerous articles and book chapters. She is the author of *Multi-Leadership in Urban Schools* and the co-author of the 7th, 8th, and 9th editions of the bestselling textbook, *School Leadership and Administration: Important Concepts, Case Studies, & Simulations*, as well as co-author of *Herstories: Leading the Lessons of the Lives of Black Women Activists*.

I purchased this book for a graduate class I was taking. I often read professional books for self improvement but this book would not be one of them. I only recommend this book if you are required. I like books that don't leave me with more questions than I started with which this book sometimes did.

Sliced up book.

Book was in good condition but it doesn't have any directions on how to return it.

This book is a phenomenal resource. The information is up to date, and the case studies applicable to issues faced in today's schools. I will keep this text book for future classes and as a personal resource.

Excellent and very practical. An easy read for busy students.

This is a great book for anyone interested in learning about school leadership. The book is well organized and written well. The simulations and case studies help the reader think about and develop a plan for handling situations that may arise during the school year. The book will be a great resource for the future.

Great condition!

My daughter uses it for a course she's taking for her Masters. She likes it.
