Customer Reviews

AA Publishing is the UK's biggest travel publisher and one of the top 10 worldwide.

Qwe have enjoyed using this for planning. I'll let you know how good it was when we return.

This map is so easy to read, and very large print where it is easy to see. It's a really nice back up to GPS programs and Google maps. It had the location of tolls and roundabouts which are very important to know when advance.

I never got lost. So it must work pretty good.

Brilliant!
