Crocodile Snap! (Crunchy Board Books)

Synopsis

In this interactive board book, kids will love pulling the tabs to make Brock the crocodile snap his teeth! Brock the crocodile has great big teeth, but sometimes, they're so scary that they frighten all his friends away. Brock scares a bird when he yawns, a frog when he sneezes, some snakes when he hiccups, some baby elephants when he coughs, and a rhino and some monkeys when he laughs. He feels bad scaring them, but he can't help having such big, scary teeth! But his mom is able to cheer him up by giving him a nice big cupcake!

Beatrice Costamagna is a children's book illustrator from Italy. When not illustrating, she enjoys watching Pixar movies and listening to all kinds of music. Her other books include Shark Bite! and Dino Chomp!

It's a good book, but not great. The pictures look great. The mouth & teeth move great. The story line was great. The words just didn't read well. I now use the book for its pictures, but I tell the story in a funnier, more dramatic way.

One of my kids favorite books.

Granddaughters (age 2.5) love it! Read it over and over again!

Cute book especially for little boys! The snapping teeth are brilliant. And durable!

Not as cute as the Shark Bite book, but still cute.

My grandson loved this book! Thank You!

Love the illustrations.

This was lots of fun for the kids!
