THE ESSENTIAL GUIDE TO EXTRAORDINARY TRAVEL Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Florida Off the Beaten Path show you the Sunshine State you never knew existed. Experience weightlessness at Fort Lauderdale's Museum of Discovery and Science; pilot an airboat through Kissimmee's wild cypress swamps; or explore Florida Caverns State Park's underground rock formations. Swim with dolphins at Marineland in St. Augustine. Offering a combination of education and entertainment, this oceanarium and marine park is not to be missed. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.

Diana and Bill Gleasner, an award-winning writer/photographer team, have over 30 published books to their credit including the popular Popoki series for children, as well as hundreds of articles for

national and international magazines and newspapers. As professional travel photojournalists who have roamed the globe in search of fascinating travel experiences, they admit a continuing addiction to Florida. The Gleasners are members of the society of American Travel Writers and the Travel Journalists Guild.Ã A

I live in Florida and was looking for a book to show me some of the good known and unknown places to see. This book in general gave me neither. Although it is the latest edition, it refers to restaurants that are closed and were not so good when they were open. Overall, I was disappointed by this book. Skip this book. Seller did a good job with price and delivery.

enjoyed this book while in Fla this spring. Well worth the money.

We enjoyed the background and history of areas we had driven through and not appreciated thoroughly. We have selected a number of day trips to follow up on readings in this reference.

this is the second time I have purchased their book.I bought an earlier edition of the guide book.they keep revising it to make it even better than the last.This time I bought two, one as a gift we both are having a great time visiting the real Florida.

If you want to know Florida's best keep secrets here you have the paths!!!! Do not miss it. Worth it

The book had great information and was well organized. I would recommend this to anyone who wants to slow down and see quieter attractions.

This guide is well written and organized. Not only does it give insite into little known areas not to miss, it also lists other attractions in the same area and gives a list of events and the month they are held with contact info! I highly recommend this guide.
