# Paddling Tennessee: A Guide To 38 Of The State's Greatest Paddling Adventures (Paddling Series)

## Synopsis

This guidebook offers trips covering every corner of Tennessee. The paddles are divided into the three primary regions of the state: West Tennessee, Middle Tennessee, and East Tennessee. Each paddle included in the book is chosen as a day trip, though overnight camping can be done where noted. With each of these waterways the author sought out a combination of scenery, paddling experiences, ease of access (including shuttling when necessary), and a reasonable length for day tripping.

## Book Information

Series: Paddling Series

Paperback: 232 pages

Publisher: Falcon Guides; First Edition edition (April 12, 2011)

## Customer Reviews

Tennessee truly has something for every paddler, whether float trips down dark water trails of swamp rivers or kayaking excursions along whitewater streams. Paddling Tennessee describes the best and most accessible routes, thirty-eight classics in all, including Reelfoot Lake and the Hatchie River in the west; the Volunteer State's contribution to great rivers of the world—the Duck; and the crown jewel of Southern Appalachian paddling destinations—the Hiwassee River. Carefully chosen to suit most beginning to intermediate paddlers, each route provides access to wilderness for city residents and visitors alike. Look inside to find: Detailed river descriptions and directions—Maps showing access points and river miles—Level of difficulty, optimal flows, rapids, and otherhazards—Where to call for up-to-the minute information on floating conditions—Gear and packing

recommendations specific to the state's conditions

Johnny Molloy is the author of more than thirty books, including Paddling Georgia and A FalconGuide® to Mammoth Cave National Park.

Excellent beginners guide to paddling the rivers of Tennessee.

This guide met our expectations completely. Great for people re-locating to TN that are looking forward to paddling the rivers in TN. Our first trip on the Red River was successful following this useful guide.

Very well written, I can hardly wait to move there.

Love it!

I haven't lived in Tennessee very long and this book is exactly what I was looking for! Great maps and descriptions.

I have spent hours reading the different places the author has been planning the trips I want to take for kayaking and camping this summer! It is very thorough and well laid out!

We gave this as a Christmas gift, and it was very well received. Nice & informative!

Just what I was looking for. A great resource!
