Craft Projects For Minecraft(R) And Pixel Art Fans: 15 Fun, Easy-to-Make Projects (Create IRL Versions Of Characters, Creepers, Tools, & Blocks In The Pixelated Style Of Your Favorite Video Game

Synopsis

Bring your Minecraft adventure to life with easy-to-make craft projects! Use this imaginative book to create instantly recognizable toys, jewelry, wearables, and accessories, based on one of the most popular video games of all time. Author Choly Knight shows you how to quickly make real-world versions of all your favorite Minecraft characters and game elements, using only a few basic craft supplies. The blocky-pixelated graphics of Minecraft are perfect for so many different kinds of crafts. Inside you'll find 15 fun step-by-step projects for perler beads, duct tape, paper crafting, sewing, and crocheting. So get in "creative mode" and celebrate the limitless possibilities of Minecraft!

Customer Reviews

This is the first crafting book based on Minecraft, one of the most popular video games of all time. Minecraft has become a global craze with nearly 40 million registered users. This book will appeal to the large thriving Minecraft subculture. The Minecraft game is all about creativity, a good match for crafts. Great introduction to multiple crafts for young beginners.

Real-World Craft Projects Inspired by the World of Minecraft

So get in "creative mode" and celebrate the limitless possibilities of Minecraft!- 15 easy-to-make craft projects- Bring all your favorite Minecraft game elements to life- Get in "creative mode" to make your own creepers, characters, tools, and blocks- Imaginative ideas for jewelry, toys, wearables, decor, accessories, and more- Projects for perler beads, duct tape, paper crafting, painting, sewing, and crocheting

This is a great little book with a variety of craft projects for Minecraft enthusiasts. None of the materials involved are overly expensive, and all of the projects are well within the capabilities of the average person, except perhaps for the crochet. However, I already know how to crochet, so that will not be an issue for me. These are fun and simple projects and will be fun to do with the kids. I would totally recommend this book.

Great book! My son is a huge fan of Minecraft and while searching on for stuff to buy for Christmas I stumbled upon this book. Being that his birthday is in February and the theme will be Minecraft, I just had to buy it. When I received the book in the mail, I couldn't wait to open it up and check out all the crafts. I'm so glad I found this book.

I have never seen not cared to know anything about minecraft. All I know is my nephew loves it. I wanted to get him something minecraft that would actually get him away from the tv screen for awhile. This was a huge hit. I don't know anything about it other than he loved it.

GREAT book with pictures and ideas! There were even designs so I could create the same human bread patterns, sewing/knitting and cardboard cutouts within the book! Perfect book for projects for boys or girls! My 11 year old son LOVES this book!

Really fun book! I painted the canvases using the templates and directions provided in this book. There are some projects that we can't do because I don't know how to knit or we don't have all the supplies, but overall the ideas are fantastic and the kids LOVE looking through the book to get their own ideas on what they want to create or draw. I hope to complete several of the projects for our

kids who are Minecraft fans.

I can't wait to try these projects! Great instructions.

For my 8 year old grandson...he loves Minecraft.

Nice book for a rainy day
