A super book for children to enjoy as they puzzle their way through the challenges, which get harder as they progress through the book Parents in Touch

Gareth Moore is the author of a wide range of brain-training and puzzle books for both children and adults, including The Kids' Book of Sudoku! and The Mammoth Book of Brain Work.

Grand Son loved it

Great for a road trip!

This came in absolute horrible condition. The cover is worn, liquid spilled on the book making pages stuck together and dark and several pages are ripped. What a discouraging thing to open.

Great book for both kids & adults. It has a nice variety of games.

Very pleased with product and promptness of delivery! Great job!!
