Customer Reviews

Bonnie Bader has written several Penguin Young Readers. She lives in Brooklyn, New York.

This is a short and beautifully illustrated book on Hedgehog's for a child about 5-7 year's old. As a hedgehog owner, I believe that it is important to teach our children about all the wonderful animal's in Nature. This will be a gift for a dear friend of mine in the UK whom is a hedgehog breeder and has a 6 year old granddaughter who will love this book!

My preschooler loved this book while she was in her hedgehog phase (which lasted a few weeks). It

is a bunch of facts about hedgehogs followed by basic instructions of how to care for a pet hedgehog.

Not only do you get a fairly good story, you also learn a lot about hedgehogs,. It also has some great photos of the little critters.

Great book for my nephew
