ISBN-10: 1590702255

ISBN-13: 978-1590702253

Product Dimensions: 10.9 x 8.5 x 0.5 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)

Average Customer Review: 3.0 out of 5 stars 5 customer reviews

Best Sellers Rank: #257,675 in Books (See Top 100 in Books) #60 in [Books > Engineering & Transportation > Engineering > Materials & Material Science > Metallurgy](#) #150 in [Books > Engineering & Transportation > Engineering > Industrial, Manufacturing & Operational Systems > Manufacturing](#) #157 in [Books > Engineering & Transportation > Engineering > Mechanical > Machinery](#)

Customer Reviews

Goodheart-Willcox is the premier publisher for Technical, Trades, and Technology; Family and Consumer Sciences; and Business, Marketing and Career Education. Goodheart-Willcox products are designed to train everyone from students through practicing professionals. Our books and supplements contain a wealth of information on the latest theories, techniques, tools, and operations for these subject areas. Whether the subject is automotive or child care, you will find numerous features throughout our textbooks to make learning easier. High-quality presentation, authoritative content, sound topic sequence, an abundance of illustrations, involving pedagogy, real-world examples, and appropriate readability are hallmarks of Goodheart-Willcox products.

smh with this company putting out this workbook when they have question for the text in the actual book. Just not happy I had to buy this one

bought this book for an elective class I was taking a few years back, I kept it and still refer to it on occasion today when doing projects.

It did not say workbook I had to read fine print to figure it out. I didn't know it was a work book until I bought it and rechecked the order form.

Thank you.

This is not the Modern Metalworking textbook, only a secondary workbook not used with the course at all, yet NOWHERE does it say this isn't a textbook!!! What a waste of \$25. That's almost a month of food for a college student!!!! Plus now I have to spend \$110 in it bc I can't wait for another book to get here!!!
