Synopsis

When Suzie met Bob, the sexy two-dicked alien, she impulsively asked to travel with him. She really should have known better. Now Bob has unveiled the details of the sexual training program he expects her to go through. On an alien spaceship, strapped to a machine that both caresses and torments her body, Suzie is left to wonder if she has just made a huge mistake, or if she should just acknowledge the truth – that she is completely aroused by Bob’s plans for her. Should she give in to the cravings of her body, and enjoy every sick, twisted thing that Bob puts her through? Customer Reviews

lili Sander writes great stories about aliens and pleasure. This is book 2 of a series. I haven't read book one yet but it seems as though I Really don't need to do so. If you like alien romance try The Alien Trains The Virgin.

I tried three times to enjoy and like this book. I was hoping that it was at least interesting, but for me it fell flat. No thrill, or excitement. Excellent writing. I do recommend people that like sci-fie and erotica to read this, you may really like it. My top Alien romance is so far, The Blue Light Of Home.

Wow. This book is hot. Your deepest desires answered, or at least Suzie is. I'm curious what Bob's real name is. Will Bob and Suzie be together in the end. I'd love to have a machine that I could wish up anything I wanted. With that machine I wouldn't need a man.

HeyA lovely story and as I am not particularly into alien type stories I was actually, I was very pleasantly surprised. Some very kinky sex and a lovely twist in that Bob can actually read her mind. That really did make for some fun moments on the 'machine' Lovely story Tara

Continuing the adventures of Suzi and Bob, her handsome alien lover who can read her mind and make all her fantasies come true. Lots of kinky sex and great character development!

Bob begins his training with Suzie while they set off for their journey to meet with the Warrior Queen.
