Customer Reviews

I purchased this book as a gift after having bought the Wudu Adventure book. This book is filled with beautiful full-page illustrations and rhymes that are cute and witty. It teaches the basics of Islam accurately in a fun and enlightening way for young children. I've been told many times that this book is the go-to bedtime story of choice and the kids are proud to see the main characters as Muslim. We need more Islamic books like this that teach children about Islam in a fun and creative way. I look forward to their next book and I would highly recommend this book to any parent looking for the perfect bedtime story for their kids.
