American Heart Association Low-Salt Cookbook, 4th Edition: A Complete Guide To Reducing Sodium And Fat In Your Diet

Synopsis

Whether you have heart-health problems now or want to avoid having them in the future, keeping your sodium intake low is one of the best ways to help your heart. In this revised and expanded fourth edition of the American Heart Association Low-Salt Cookbook, the association shows that a low-sodium diet can be not only good for your health but also full of flavor. Including everything from appetizers and soups to entrées and desserts, American Heart Association Low-Salt Cookbook, 4th Edition, offers more than 200 delicious low-sodium recipes—more than 50 of them brand-new to this edition. Whether you are in the mood for a beloved classic or a new favorite, you will find just the dish to please your palate. Looking for a less salty snack? Try Baked Veggie Chips served with Hot and Smoky Chipotle-Garlic Dip. Craving something hearty and full of flavor? Slow-Cooker Moroccan Chicken with Orange Couscous is an ideal low-sodium fix-it-and-forget-it meal. For a Sunday-night family dinner, try Three-Cheese Lasagna with Swiss Chard. And for your sweet tooth? Whip up Peach and Blueberry Cobbler or Rice Pudding with Caramelized Bananas for a special treat. With this book in hand, you'll be armed with nutrition numbers for every recipe and the latest American Heart Association dietary information, as well as the how-tos for avoiding hidden sodium, shopping smart, and using healthy cooking techniques. You'll also find useful resources such as a sodium tracker, a no-sodium seasoning guide, a list of common high-sodium foods, ingredient substitutions, and serving suggestions for each of the food groups. From the Hardcover edition.

Corn and Green Chile Soup Serves 4; heaping 3/4 cup per serving

Ready in no time, this chunky and spicy soup requires very little cleanup.

16 ounces frozen whole-kernel corn, thawed

12 ounces fat-free evaporated milk

2 ounces chopped green chiles, drained 1/4 to 1/2 teaspoon ground cumin

1/4 teaspoon pepper

1/8 teaspoon cayenne (optional)

1/2 medium red bell pepper, finely chopped (optional)

3 medium green onions, finely chopped

2 teaspoons light tub margarine

1/4 cup shredded fat-free sharp Cheddar cheese

In a medium saucepan, stir together the corn, milk, green chiles, cumin, pepper, and cayenne. Bring just to a simmer over medium heat, stirring frequently. Remove from the heat.

Stir in the bell pepper, green onions, and margarine. Serve sprinkled with the Cheddar.

Cook's Tip on Thawing Frozen Vegetables: To thaw frozen vegetables quickly, put them in a colander and run them under cold water until thawed. Shake off the excess water and drain well.

From the Hardcover edition.

My mother was recently hospitalized with heart failure, and is now limited to 2000mg/day of sodium. Having eschewed processed foods many years ago - I rarely buy can, box, or bag - I was absolutely stunned by the amount of sodium in nearly everything at the grocery as I was grasping for meal ideas for her (and her traditional Southern salt/pepper taste buds.) I've now made numerous items from this cookbook for her, and she has loved every dish. Try the pork loin with apple dressing, it's worthy for Sunday company. The meat loaf is also incredible. Additional tips: Invest in many, varied spices and fresh herbs, a good balsamic vinegar, and keep a bowl of fresh lemons on the table. There IS life after salt!

This cookbook is a lifesaver now that I'm on a sodium restricted diet. Great ideas for ways to cut sodium.

The recipes are good. However, I would like to have more illustrations of items.

with high blood pressure this has come in very handy.

Wish there were more pictures. Lots of information on a low sodium diet.

Excellent recipes for low sodium cooking which are clearly written and easy to follow.

This book from the AMA is really a lot of help to learn how to cut the salt. Kmoris-Tw

Surprisingly a combination of science and cookbook! Extremely easy to follow (even the science-y part)! Looking forward to trying the recipes soon. BTW, the illustrations (all hand done) are excellent ... and this is coming from someone whose cookbooks are full of photographs! They are just as good as photographs if not better.
