Customer Reviews

I found a copy of this book at Goodwill and it is my favorite toddler bible! We are foster parents and it keeps the attention of babies and toddlers bc of its "shininess" It is also a board book. It has cut outs that little hands love to touch but no flaps which I prefer so they don't get ripped off. I am buying it from here as a gift for a first birthday!

It was nice but the description said it was "new" but it looked lightly used.
