## Customer Reviews

AA Publishing is the UK's largest travel publisher, with an extensive range of inspiring travel guides, dependable driving books, and trusted maps and atlases.

We love the format of the book outlining the walks, their degree of difficulty, where to park, etc. BUT the directions are not nearly specific enough and are very confusing. One wonders if the author has actually taken these walks...recently! Some days, gratefully, other walkers (local) happened by and straightened us out. Today we got so lost that we had to turn around and retrace our route.

Very thorough information on walks available in the Cotswolds. Would have liked a map that showed the Cotswold area overall and the locations of the walks as they related to each other and to more towns located nearby.

Excellent and easy to follow.
