ZARZUELA- SOPRANO

Synopsis

(Music Sales America). These unique collections present celebrated songs from the Zarzuela, Spain's uniquely popular tradition of music theatre which draws on elements of opera, popular song, dance and spoken drama. They contain material from the best Spanish composers, and the songs chosen for their suitability for singers, first and foremost, rather than the actor-singers who are such a distinctive feature of zarzuela in performance. 12 songs per volume.

Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is a great book for a soprano vocal student who is looking for traditional Zarzuela pieces. The music is clean and well presented on each page. Many of these pieces have not been available before.

I found this book to be very well done. There is a good selection of songs, most of medium difficulty. All the songs are from the XIX-XX Century. If you are looking for "Golden Age" Zarzuela, Try

"Spanish Theatre Songs, Baroque and Classical Eras" There are a couple of songs for men that are included as "breeches" roles. I found the Spanish foreward & the English foreward informative but different. The English one is not a translation of the Spanish one or vice versa.

I'm very happy with this book that contains very good Zarzuela music, specially for the aria "Zapateado" from "la Tempranica". Luciana Bueno
