The Women's Torah Commentary: New Insights From Women Rabbis On The 54 Weekly Torah Portions

Synopsis

Women rabbis are changing the face of Judaism. Discover how their interpretations of the Torah can enrich your perspective. "Rich and engaging" makes available to a wide readership the collective wisdom of women who have changed the face of Judaism." —Judith Plaskow, author, *Standing Again at Sinai: Judaism from a Feminist Perspective*; Professor of Religious Studies, Manhattan College Here, for the first time, women's unique experiences and perspectives are applied to the entire Five Books of Moses, offering all of us the first comprehensive commentary by women. In this groundbreaking book, more than 50 women rabbis come together to offer us inspiring insights on the Torah, in a week-by-week format. Included are commentaries by the first women ever ordained in the Reform, Reconstructionist and Conservative movements, and by many other women across these denominations who serve in the rabbinate in a variety of ways. This rich resource offers new perspectives to inspire all of us to gain deeper meaning from the Torah and a heightened appreciation of Judaism. A major contribution to modern biblical commentary. The gift of choice for every young woman's bat mitzvah, and for anyone wanting a new, exciting view of Torah. Contributing Rabbis: Rebecca T. Customer Reviews

Informative and a very interesting read.

Although there are a very few tendentious (too gender-political) essays here, most of the essays here are very interesting and enlightening. Worthwhile for anyone seeking to expand their horizons re the Torah or are looking for good material for a weekly sermon (dvar Torah).

Arrived as advertised. Thank you!

See my review under "The Women's Haftarah Commentary: New Insights from Women Rabbis on the 54 Weekly Haftarah Portions, the 5 Megillot & Special Shabbatot". I LOVE both these books & the writers. My spiritual insight has grown exponentially from both books.

I believe that I have already commented on this book. It is one of the first commentaries I reach for to get the distaff view of each portion (parasha) of the week. Then I will look at other commentaries

before discussing it with others in my study group. Once again, this commentary might be well received by Christian readers as well, of course, as Jewish readers of any stripe.

Bought as a gift for a Bat Mitzvah. After reading through a bit of it, my wife now wants her own copy.

It is very interesting to bring the women scholars' perspective to our Torah study discussions.

Often, we hear only what men think important parts of the Bible mean, but this book lets us hear the thoughts of women. It is easy to read and informative, too.
