## Customer Reviews

good condition

This edition is a significant downgrade from previous ADC Greater Washington. The counties are no longer color coded, the new 4 digit page numbers are a terrible idea; I find it much harder to navigate around between pages. Also, the shopping centers are now the same color as the schools?!? And they got rid of the nice large light orange metro station rectangles and replaced with a TINY green circle S that blends in with the other circle letter landmarks. Some secondary roads are yellow now and some are red, what for? Again just harder to find things at quick glance. Boo.

Great condition!!
