Mary Hertel was an art instructor for 35 years. A lifetime sewist, Mary has more than 50 patterns in print and hundreds of paper-pieced blocks. She lives in Oshkosh, Wisconsin, where she enjoys knitting, hiking, biking, and spending time with her two adult children.

This is a delightful book, with very good directions and wonderful, clever designs. The only problem is which to make first!

This "how to book" is extremely easy to follow. The ideas in it are so sweet and useful. Great job!

Love it!

I've had many opportunities over the years to admire examples of Mary Hertel's creative sewing and craft projects. I knew Cute and Clever Totes would be especially appealing and I've eagerly anticipated its publication. Every pattern is delightful - whimsical, clever, and clearly presented. I will be sending copies to all my clever friends in hopes they will make a tote for me! Peg Olson

Mary Hertel's paper pieced patterns are just incredible. If you want a darling bag, this is your book! You can use the completed blocks for other projects than a bag, too! I just converted a block into this darling pillow cover!

Excellent. Well written, easy to follow, and the most adorable patterns.
