Creating A Christian Lifestyle: (Student Text) (Companions For The Journey)

Synopsis

Senior year is a pivotal moment in the life of teens, a time when young men and women are shaping their goals and hopes for the future and seeking spiritual guidance. *Creating a Christian Lifestyle*, a comprehensive one-semester course, addresses significant issues teens will face as they choose among the many life paths they may travel--single or married life, religious life, or ordained ministry. The text examines themes common to all those paths: identity and autonomy, love, communication, sexuality, friendship, creativity and learning, work, money and possessions, and suffering and healing. Thought-provoking stories, poems, and personal examples lead students into discussion; engaging activities invite reflection, discussion, and journal writing. The full-color lively design and over 50 original artworks by students stimulate students' interest.
