Program Development And Grant Writing In Occupational Therapy: Making The Connection

Synopsis

Program Development and Grant Writing in Occupational Therapy: Making the Connection is a practical guide to program development and grant writing. This text describes the process of developing a good idea into a sustainable and meaningful program related to occupational therapy principles and client needs. Readers will learn how to conduct a needs and asset assessment, develop strategies for writing a grant proposal that maximizes funding, learn where to find data, and tips on how to garner support from stakeholders. This essential text contains process worksheets at the end of each chapter to help readers process and apply the chapter concepts. These worksheets can be used by instructors as learning activities in courses related to community practice, program development and grant writing. Program Development and Grant Writing in Occupational Therapy: Making the Connection features learning objectives, key terms, process worksheets, case studies, review questions, grant samples and more!

Customer Reviews

just the book i needed for program development class this semester of ot school - shipped in time before classes started

This text is much needed in the occupational therapy world. Well written with helpful information for anyone working in program development. Nothing like this on the market now. I will be using it with my students in class.
