Robert B. Parker's Killing The Blues: A Jesse Stone Novel

Synopsis

The Jesse Stone stories continue even after Robert B. Parker's passing with *Killing the Blues*. In this novel, Jesse Stone is faced with what begins as a rash of stolen cars and escalates into arson and murder as Stone uncovers how deep this crime wave really goes. All the while, Paradise, Massachusetts is preparing for summer tourism with the help of event planner Alexis Richardson, and she and Stone become involved in a steamy affair.

Customer Reviews

'No one understands what makes Bob Parker's Jesse Stone tick better than Michael Brandman - and Michael is just the writer to carry Jesse into the future' Tom Selleck. --This text refers to an out of print or unavailable edition of this title.

Michael Brandman is an award-winning producer of more than thirty motion pictures; he collaborated with Robert B. Parker on more than a dozen of them, giving him the ability to carry on the "Jesse Stone" series. They wrote the screenplay for TNT's Monte Walsh together, and Brandman has produced and written films for A&E and CBS. Brandman lives in California.

I love Robert B. Parker's Jesse Stone. I really didn't get interested in the book until I saw Tom Selleck on TV portraying Jesse. I started buying the books and reading them. I started with *Night Passage* and have continued from there. Keep them coming.

I don't know how he did it, but Michael Brandman has written a book that maintains the familiar surroundings and characters of Jesse Stone's town of Paradise, tells a face-paced, riveting story, and gives us more of our beloved hero, Jesse Stone - all in a way that I would have sworn was written by Robert B. Parker. I have already ordered his next book.

While I'm a BIG fan of Parker's Jesse Stone character, and this novel did not disappoint -it DID have more the feel of a transcript from a TV movie than an actual Robert B. Parker novel. And, while I realize we'll never again have an actual Parker novel, I do think this author could have done a better job of fleshing out the characters and surroundings (which Parker was SO good at). Otherwise, I was pleased, though perhaps just a bit underwhelmed.

Loved all the different story lines and that the people of Paradise didn't necessarily know what was going on. Also loved Jessie's new pet, quite a change for a big strong guy.

Always a good read, never disappointing. Anyone who loves Robert B. Parker will love this one too! I highly recommend it.

Good storyline but didn't follow Robert Parker's style. As a reader who loves Jesse Stone, I was surprised at how much he changed. I always liked his 2 or 3 word sentences, which are gone now. That was part of his charm.

Good read for in-between new books out

Having been a HUGE Robert Parker fan, I just stumbled across this book last week. Indeed, the most recent Robert Parker ghost writers had left me rather cold. More than rather cold actually. THIS is the author who has what it takes to even come close to the original Stone novels that Robert Parker wrote. WHY DID YOU MOVE ON TO SOMEONE ELSE!
