Customer Reviews

This book is the second of a series, and I have been looking for the third book for a long time. It was just that interesting. I hope the author finishes , or starts the last book soon. It was exciting, heartfelt, dynamic, and even a little romance. Here hoping this is the year I get closure. She has written a few more good books, but nothing can take the place of this series leaving me wanting more.

This book is very good if you're looking for fiction about the end times. It follows scripture and includes the scripture that it's referencing in the book. I highly recommend it

Everything is awesome

I loved the way she incorporated end times themes into this book. Even if you do not agree with the interpretation, the book showed how the end times can creep up on the world without anyone 'noticing.'

The action and suspense had me on the edge of my seat. It makes ypu think how lucky we are.
Can't wait for book 3!
