Deborah L. McDonald has been creating coloring pages for grown ups since 2003. With a degree in education she saw how coloring helped many who needed to relax and feel better about themselves and believes strongly in the magic of coloring!

This Halloween book is amazing! The book is so thick and has over 100 pages to color. Inside you will find unique and hand drawn images. This book is worth all the family fun you can bring to your home. The images are so whimsical and fun, none are gory. Buy the book, do your self a solid and but the book!! I LOVE it so much!!!!

I love this great big, fun book! Great to color alone or with the kids, the cover is really festive, actually, I colored it. As with all of Deborah McDonald's books, its an experience, tune in to her FB groups, watch her videos, you'll be hooked. Ranges from easy to more difficult with details and all the designs are fun. One sided pages, lots of room to experiment, get it!
