## Synopsis

Discover Budapest's essential sights with DK Pocket Map and Guide Budapest. Its compact format - about the size of a mobile phone - means you can slip it in your pocket on a day trip or short stay in Hungary's elegant capital on the banks of the Danube. DK Pocket Map and Guide Budapest showcases all the best things to do in Budapest, from wandering the narrow lanes of Castle Hill to admiring the imposing architecture of Pest. Concise descriptions and practical information for the top sights in each neighbourhood are complemented with vivid photography and illustrations, plus recommendations on where to eat, drink and shop. The sturdy pull-out map shows Central Budapest in detail, along with a street-finder index for easy navigation. Winner of the Top Guidebook Series in the Wanderlust Reader Travel Awards 2017.

The holiday starts the moment you open the guidebook The Guardian --This text refers to the Paperback edition.

Perfect little book for travel to carry in your pocket. However we will definitely have to invest in a magnifying glass. This is not a good book for researching your trip but it might come in handy for our actual stay in Budapest. Fold out pocket map in the back is a very nice feature! 9/6/2016 update: After a few days use, I upgraded to 5 stars from 4 stars. This book is a fantastic little resource. In fact, I just ordered one for Prague too! These will be extremely useful on our travels.

Excellent city map of Budapest that accompanied us everywhere...or did we accompany it?! It's a keeper for the future.

Great book. Bought the hard copy pocket size as well as the Kindle edition. Hard copy book was just too small to read and the maps had the same issue. Kindle edition was wonderful used it extensively with local Wi-Fi in restaurants, bars, busses.

This guide is very good and will fit into a pocket or a purse. It is very easy to use.

fast and in time, my brother need so cool product, will purchase again. great and good experience. Great and affordable product. Good weight which means less pressure while cutting. Excellent ergonomic. Sharp. Cutting tomatoes and onions was a pleasant experience. I bought this product to replace a old one.
