The 7 Habits Of Happy Kids

Synopsis

In *The 7 Habits of Happy Kids*, Sean Covey uses beautifully illustrated stories to bring his family's successful philosophy to the youngest child. For the Seven Oaks friends, there is always something to do. Whether they're singing along with Pokey Porcupine's harmonica or playing soccer with Jumper Rabbit, everyone is having fun and learning all sorts of things. These seven stories show how practicing the 7 Habits makes this possible for the whole Seven Oaks Community. From learning how to take charge of their own lives to discovering how balance is best, the Seven Oaks friends have tons of adventures and find out how each and every kid can be a happy kid!

Customer Reviews

Sean Covey is Executive Vice President of Global Solutions and Partnerships for FranklinCovey. He is a New York Times bestselling author and has written several books, including *The 6 Most Important Decisions You'll Ever Make*, *The 7 Habits of Happy Kids*, *The 4 Disciplines of Execution*, and *The 7 Habits of Highly Effective Teens*, which has been translated into twenty languages and sold over five million copies worldwide. Stacy Curtis is the illustrator of *The 7 Habits of Happy Kids* series by Sean Covey. He lives with his wife and dog in Oak Lawn, Illinois.

Great reading material for you and your child to share. The side notes and tips can help relate for your family's daily life. The book has concepts from the 7 habits of successful people, which helps you and your child take on life with a better future perspective. My five year old daughter jumped right in and had questions for understanding and started implementing the habits the next morning. Although there are a few typos in the relatable section, its nothing you cant catch ahead of time as you read ahead. We've read one story each night, and thought of ways we can improve our outlook and productivity to make the most of tomorrow.

My kids do not tire of reading and discussing these stories and ideas. A very accessible book that gives you the vocabulary and story-references to remind your kids of the values we are trying to live. We got this two years ago when my kids were 4 and 6, and even now at 6 and 8 we are enjoying it. We read it a few times each year.

I'm a parenting coach; I work with families who want to raise their children to have good values and to become happy, contributing members of society. This book, at a very elementary level, demonstrates the usefulness of the same seven habits detailed in "The 7 Habits of Highly Effective People." Think about helping your child become the best s/he can be! What a great aid in your parenting.

I have read it to my kids. is not a book that stand out for their taste, but I keep reading it to them and drilling the message because is great

My kids have eaten this book up. Written in easy to understand language and with issues that kids really understand. I highly recommend for anyone needing a little help directing their kids in a positive direction.

This book is a great book that illustrates the seven habits. Each habit has a little story that goes perfectly with it.

My students love the stories in this book. The stories are a great way to teach students everyday life skills.

My 4 and 8 yr old boys loved it and we will be referring back to it for years to come.
