ISBN-13: 978-0961496371

Product Dimensions: 8.3 x 5.4 x 0.8 inches

Shipping Weight: 15.8 ounces

Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #1,996,341 in Books (See Top 100 in Books) #63 in [Books > Travel > United States > Massachusetts > General](#) #220 in [Books > Travel > United States > Massachusetts > Boston](#) #1529 in [Books > Travel > United States > Northeast > New England](#)

Customer Reviews

Country Walks Near Boston

I have repeatedly borrowed this book from the library, and liked it enough to buy my own copy from . It contains a comprehensive survey of walks in towns around Boston. One thing I find noteworthy about the book is the excellent brief history presented in each chapter. Each history includes an explanation of how the lands were established and maintained (a mix of public and private). The typography is a bit confusing, but the book is otherwise well-organized, with clear directions and maps. It is suitable for quickly planning an outing. By the way, while this 3rd edition was published in 2000, the information is still accurate. I haven't found a comparable, more recently-edited book on the subject. I strongly recommend this book, to visitors and locals alike.

great maps; historical backdrop of each walk; easy to follow directions; all close to Boston and Vicinity. couldn't find any fault with this book.
