TEN FUN THINGS TO DO IN EDMONTON

Synopsis

Q: What do you get when you shrink a travel guide to fit better on a smartphone?A: The Ten Fun Things travel guide!!!The goal was to shrink a lengthy conventional travel guide down to an information only guide and make it into a super-compact size for three reasons: 1. It would work well on mobile devices. 2. It could be delivered to the customer for much less than the \$8 to \$12 travel guides.3. It could be offered as a new kind of travel guide for people who don't have time to read 80-100 pages on a tiny screen.This guide has been designed to be more of a quick reference tool for your smartphone rather than a conventional travel guide. It provides contact information for popular local attractions. It also includes a good list of restaurants, nightclubs and a bonus section covering breakfast. Everything you need and nothing you don't, and for much less than the other guides.Carry it with you and use it to plan your trip -or- during your trip.Enjoy!

Customer Reviews

I had heard some bad news about this series of books, so purposely downloaded the Edmonton one so that I could get a first-hand look at it.This contains a number of URLs, and that's it. No descriptions. A few restaurants, a few malls (not including West Edmonton Mall, a major tourist

attraction that *should* be in it!) and other attractiopns, and not much else. Nothing that someone can't find via Google or a city's own promotional website. Worth \$1.50 pllus taxes/exchange rates etc.? Figure it out!
