Great book, perfect size for toddler

Dr. Seuss always a great purchase.

All books Dr Suess are a hit with my granddaughters. A gift that is well loved. Cute rhymes and easy

to follow story line as per usual Suess books.

Cute!

very fun book

THIS IS AN ABRIDGED AND OF DIFFERENT FORMAT FROM THE (I THINK) ORIGINAL BOOK I USED TO HAVE AND LOST. A LITTLE DISAPPOINTING !

Cute book..love the size and how sturdy it is. The story is choppy and ends abruptly.....not a great flow to this book.

Great book for teaching a toddler about body parts, in this case, the nose. My little guy loves this book. He is constantly begging me to read it to him. Definitely worth the money.
