Pete The Cat And The Treasure Map

Synopsis

New York Times bestselling author and artist James Dean brings us a fun, epic sea adventure with Captain Pete in Pete the Cat and the Treasure Map! Includes over 30 fun stickers. When Captain Pete discovers a treasure map, he and his crew are ready to set out and sail the seas to find the buried gold and jewels. But they weren't expecting to find a giant sea monster along the way!

Customer Reviews

James Dean's art has sold in more than ninety galleries and shops across the United States. He has devoted his paintings to Pete the Cat for fifteen years and has turned his natural love for cats into his life's work. James published his first adult book, *The Misadventures of Pete the Cat*, a history of his artwork, in 2006. He illustrated his first self-published children's book, *Pete the Cat: I Love My White Shoes*, in 2008, and the follow-up book, *Pete the Cat: Rocking in My School Shoes*, in 2011. James lives in Savannah, Georgia, with his wife, four cats, and one dog. You can visit him online at www.petethecat.com. I think you have to be a kid to appreciate Pete the Cat books. So a giant octopus comes out of the water thrashing around his enormous tentacles. Any sane person would think he's trying to sink the boat. But no, not Pete the Cat. His first thought is the octopus is just trying to drum on the water and that he should pull out his guitar and start a band. Seriously!? Either way it's a hit with the kids. Too many words for a beginner reader to be able to read by herself in one night, but a great, captivating story.

Perfect for my 4-year old who has just started reading. The repetitive characters are great and she really likes them. The books are relatively short and the pages are one or two lines. Perfect for new readers with easy words and relatively few difficult words.

Arrived on time and a cute book for emerging/beginning readers. My son loves all the Pete the Cat books.

My grandson, who is 3.5 years old, loves Pete the Cat. He also is into pirates at the moment. When I saw this book, I knew he would enjoy it. He loves it! He visits our house every week and, while I read to him often during the visit, one of our favorite times is just before nap when we do some stickers and read a book of his choice. This book combines both activities into one. We read the story and then place two stickers of his choice of whether they go in the book, on his shirt or on the back of his hands. The stickers are well made enough that they stick no matter where he puts them. The story is a cute adventure looking for treasure. There are pirates, treasure, a monster, and some pretty cool music. It's a long enough story to be a good nap time one and looks like it will be a fairly easy reader when he is a bit older.

Some Pete the Cat books hit the mark, and some don't. This one has a so-so story - not the joy fest of my favorites, like *Rocking in My School Shoes*. It's smaller than the other Pete books I've seen - but that can be a plus if you use it for a travel book. The text is just not that fun to read. I don't think

my kids will ask for it over and over, as they do some of the Pete books. It includes about 30 story-themed stickers.

I don't know why this book receives such good ratings. It is the worst of the Pete the Cat books. Its not fun to read. too much dull dialogue.

Another great Pete story. My 5 year old granddaughter and my 22 month old grandson will love it

Have yet to find a bad Pete the Cat book. Keep them coming! My kids love them.
