Customer Reviews

24 classic pieces by Bach.

The 24 Bach studies are an integral part of the flute repertoire. It is a collection that is essential for improving technique and understanding expressive performance in all genres. I was delighted to be able to acquire this book in a timely manner.

The 24 Bach studies at the beginning of the book are great études for any intermediate or advanced player. The flute solos filling up the rest of the book are very famous works that should be in any (aspiring) professional flutist's repertoire. Plus, it's all fun to play!
