Robert S. Brantley and Jan White Brantley (deceased) are New Orleans-based architectural photographers. Their work appears in numerous design magazines and books on New Orleans buildings. Ms. Brantley was the chief photographer of The Historic New Orleans Collection and president of the New Orleans Chapter of the Society of Media Photographers.

Great collection. I wish it had more postcards...I bought this to mail out but now I want to keep all of them.

I use these for Postcrossing.com, good selection that gives people in other countries a glimpse of New Orleans that they might not otherwise see. The cemeteries are one of my favorite things about NOLA and I like to share that with others.

This is a gorgeous book of postcards showing New Orleans Cemeteries. Such lovely buildings, monuments, and decadent ruins. I toured the cemeteries when I visited New Orleans and liked the architecture of the cemeteries. They are truly cities of the dead. Beautiful postcards that can be removed and mailed if you wish.

Worked perfect for a gift!

The postcards are excellent for the value. They come in a book. They are perforated on the sides however you can use a paper cut and remove that everyone I have sent to has certainly enjoyed them. Thank you

This is a really nice set of post cards for those of you who love cemetery pictures as I do. Very well made.
