Synopsis

From USA Today Bestselling author Ednah Walters: The first three books of her Norse-mythology-based bestselling series
Seventeen-year-old girl is about to learn that Norse Pantheon is real and some nasty deities are about to turn her world upside down.
Runes-book 1: Raine does not believe in magic or the supernatural, until her new neighbor, Torin, uses weird markings to heal her. Now she is on a mission to find out what he is and what he knows about her missing father.
Immortals-book 2: Raine and Torin are meant to be together, but destiny deities have erased Torin's memories and he can't remember her. Too bad they didn't take into account his feelings for Raine or hers for him. The fight for the right to love each other has just begun.
Grimnirs-book 3: Released from a psych ward, Raine's best friend, Cora, doesn't want to see souls anymore or the reapers collecting them, until Echo storms into her life. He is one reaper she cannot resist. Will Raine finally tell Cora the truth about her new friends?

Customer Reviews

I'm so happy I found this series! I can't get enough of the Runes series. Will Cora become

Immortal? I guess I will have to continue reading to find out.

This turned out to be one of my favorite series! I love how the Norse myths come to life in these books! Runes: It was such a great book it would have done great as a stand alone. Immortals: So many complications so many juicy secrets, I loved this follow up. Grimnirs: It is a bridge book between #2 and #3, focuses on one of the other characters but it was fantastic and loved the other POV.

Wow, totally took me off my feet for the entire night. I got so caught up in these books that I could not put them down. I prob should sleep but Lord I really want to start the next book. The characters are just so enthralling you can not help but love Raine and Cora, and the guys keeps talk about sizzling.

So in love with these books! I just bought the next 3 and put one on pre-order! Must read series!

I think it is a great book. It has a good mix of exciting characters, plenty of adventures, and of course a wonderful love story.

I truly enjoyed this series. I went straight through them!

I loved it!

These books have got me loving some Norse Mythology. Runes is from Raine's POV and shows how strong this is. She has to make very hard choices. I love how Raine and Torin try to fight their attraction to each other but then they realize it's useless to fight it. In Immortals we are shown how much Torin means to Raine because she never gives up getting him back when the Norns erase his memory of her. In Grimnirs we switch over to Cora's POV. At first I didn't think I would like the book the same as the ones from Raine's POV but boy was I wrong. I absolutely loved this book. I collect enough of Echo. I'm a sucker for the suspected bad boy in the group. They always surprise us with how sweet they can be. I'm ready for the next one.
