Customer Reviews

The map offers standard high quality of Michelin road map. I just wish I had known that this map also reaches into neighboring countries (incomplete of course), including Budapest, Vienna, Salzburg, and KrakÃƒÂw. For the purposes of our Budapest to LevoÃƒâ€ša to Prague to Salzburg to Vienna, I really could use this map alone for the whole trip and didn't need to also buy Austria and Hungary separate maps.

This large scale map covered our entire trip of the Czech Republic, Slovakia, and southern Poland. It was perfect!

Got this and other maps of central and eastern Europe for an upcoming trip. I anticipate this map will work as well as the previous other Michelin maps I've used.
