Roosevelt Dime 1965-2009 Collector's Folder (Warman's Collector Coin Folders)

Synopsis

Aptly named for President Franklin D. Roosevelt, the Roosevelt dime is symbolic of his crusade to raise money for polio research by urging the public to show their support by sending in dimes. The organization it supported became known as the March of Dimes. This top-quality coin folder features this story and provides a beautiful showcase for your dimes. Larger than the average coin folder, it features three panels, with 90 die-cut dime openings, more than any other folder.

Book Information

Series: Warman's Collector Coin Folders

Hardcover: 3 pages

Publisher: Krause Publ; Brdbk edition (November 12, 2009)

Language: English

ISBN-10: 1440212929

Product Dimensions: 7 x 0.3 x 9.5 inches

Shipping Weight: 7 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 25 customer reviews

Best Sellers Rank: #160,359 in Books (See Top 100 in Books) #47 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#)

Customer Reviews

I got this book to add to my collection of coin albums. I like the look of the Warman albums and wanted to have them all match. I have bought pretty much all of the other coin albums by Warman's and love them. This particular album however, has holes that are too small for the coins. So getting them in is a bit of a challenge. It requires some elbow grease and sometimes a blunt instrument (just kidding about the blunt instrument. Not good for the coins). I had to scrape the holes for some of them which made the book look ugly so I just had to put a piece of cloth over the coin and press as hard as I can until it snapped in. Anyway finally filled it, and moved on to the next album.

Book was nice thanks

Good product

This item is exactly what it looks like. It has sturdy construction which will hold up to it sitting around

anywhere in the house and it looks nice as well. The only issue I found with this was that the measurements for the size of the coins is slightly off and so I had to start taking the blunt end of a hammer or screwdriver to pound each dime into it's correct place. The other folders did not have this problem so I would assume this is because of the smaller size of the dime. I will happily continue purchasing Warman's products because of how nice it looks, the extra amount of information and history it gives about each type of coin and how it is easy to start or add to your collection.

kids love it started filling it up right away

I tried many different ways to get the dimes to fit into the slots but alas, no luck. I ended up throwing it out and ordered a different brand of folder. I wish I would've known that this ahead of time.

Excellent coin book

My granddaughters collected all the state quarters and I spent over \$25 for their books. This is so much nicer and a lot cheaper. I like it has information regarding the coins plus folds over for easy storage.
