Customer Reviews

The guide is great, in Lonely Planet fashion. However, I bought this book in addition to the Lonely Planet Thailand guide, thinking it would have extra content. This islands and beaches guide has a few things the Thailand guide does not, mostly in the beginning of the book, but otherwise the location content is the same. Just a heads up- no need to buy both books.

great book

Best travel guide. Very entertaining, not dry at all.

Love it and hope to go there next year.

Very good info so you can understand better how are thailand beaches
