Customer Reviews

I gave this collection 3 stars, hoping the other authors had a better editor. I only got through 3% of the first story-I tire easily of extra words, assumptions the author makes about the reader, & first-draft mistakes.

Inspiring

Most of the books were part of a box set I read before. Very disappointed. Story lines were quite predictable.

enjoyed all the stories. Great messages of love and hope.

This is a beautiful collection of stories . I really loved how each chapter started with scripture appropriate to the content of each chapter. The stories are very touching, bringing a smile, laughter and also teary eyes. Fictional stories that remind you how great God is. I am sure I will read them again in time. Thank You

excellent

I loved the theme that ran throughout of enduring love Thank you so much for these beautiful stories Please don't stop writing

Life is full of curves or tests. It is so easy to be content when things are going great. The true test of life is how you respond when life isn't easy. I think story is a great example to this.
