Customer Reviews

A very informative well written book. Especially good for research.

Easy quick and condensed way to learn the basics. In round it useful. I happily will recommend this book. The only problem is I'm still looking for an illustrated book.

Very well explanation in short version. Good to read and covering all important elements of Hinduism. I like it so much

It is a hard work trying to understand the concept of Hinduism, if at all possible, but it gives an interesting insight of the beleif and culture of India

I really enjoyed the information, and I love how easy it was to understand. Very interesting and sobering to me.

A very basic but very informative start to understanding. Hinduism. Great for those with little or no background in Hinduism.

happy

It's good--I got the information I was looking for from this book.
