Elmo's Little Dreidel (Sesame Street)

Synopsis

What's a dreidel? Elmo wants to know! He finds out as he celebrates the first night of Hanukkah with a friend's family. He watches Gil, Susie, and their parents light the menorah and joins in as they sing Hanukkah songs. After supper he learns to play dreidel, the traditional Hanukkah spin-the-top game. And, at the end of the evening, Elmo gets his first Hanukkah gift—his very own little dreidel! This sturdy board book introduces toddlers to the traditions of the Jewish Festival of Lights and even teaches them how to play dreidel themselves!

This made a wonderful gift to a small child along with A Plush Hanukkah Dreidel A and A Plush Hanukkah Bear. It's a simple, short story that has Susie and Gil showing Elmo how to play the dreidel. The pictures are charming and the story also shows the fun of sharing and playing together. The little toddler loves this book (and Elmo) and wants it read to him almost every night. It helped him to learn to play with his dreidel and have fun with his family.

We bought 3 books for the kids (2 and 4) and this is the one we have all liked best. Dreidel is the best part of Hanukkah and it explains it simply. I like having multiple books, so that others can focus

on other aspects of the holiday - candle lighting, etc. I would definitely recommend that this be one of your collection.

This is a really cute, nice quality book, but doesn't even mention that Hanukkah is a Jewish holiday or why we celebrate it, or what the miracle was. I think that would've been nice, seriously!!

This book does not tell the story of Hanukkah but does introduce the lighting of the candles and the playing of dreidel. The pictures are great and the book is hard, thus allowing it to be handled and opened by a baby. It is a perfect size to fit in the baby's hands to hold all by herself. This book would be great for an infant through preschool. In the book, Elmo is invited to his friend's house to celebrate Hanukkah, which is a new experience for him. It shows the lighting of the menorah and the children playing the dreidel game, with an explanation of the Hebrew letters on the dreidel and how to play explained by Elmo's Jewish friend. Hence, you have the directions for the game when purchasing this book. Elmo is given a dreidel as a gift on Hanukkah and when he arrives home, he teaches the game to his parents! You won't regret getting this colorful, sturdy book.

Such a cute book. The girls loved it

A gift for a child that I worked with

This was one of several Hanukkah books that I bought for my 4 year old granddaughter. They were perfect for her.
