Lola Levine: Drama Queen

Synopsis

Seven-year-old Lola Levine is fierce on and off the soccer field. She can do a slide tackle (although she's not supposed to) and even likes gooey worms. Nothing scares Lola! That is, until she's auditioning in front of EVERYONE for her class play. After Lola is overcome with stage fright, she's cast as Squirrel #2, a non-speaking part! Lola is more than a little disappointed, and she looks to her bubbe for advice and comfort. But on opening night, the curtain rises and she finds herself smack in the middle of an exasperating turn of events. In this fun and heartfelt chapter book, can Lola give Squirrel #2 her own special stamp and make it a play to remember?

Customer Reviews

Gr 2-5-Effervescent seven-year-old Lola Levine tackles life with energy, bubbling-over enthusiasm, and her best friend, Josh, at her side. In this second book in the series, Lola and her classmates learn that they will attend drama class two days a week and perform in a play. Although she has been called dramatic, Lola isn't quite sure what she thinks of acting. When she auditions for a part, she is struck by stage fright and has to settle for the nonspeaking role of Squirrel #2. Thankfully, her artistic parents and her visiting Bubbe are right there to cheer her on. Readers will find much to love

in Lola and her nurturing family. Dominguez's illustrations provide just the right touch to enhance the story. VERDICT This multicultural chapter book is a wonderful addition to public and school libraries. Highly recommended for fans of Sara Pennypacker's "Clementine" series (Hyperion).-Laura Fields Eason, Parker Bennett Curry Elementary School, Bowling Green, KY
