A Sephardic Passover Haggadah: With Translation And Commentary

Synopsis

This unique Sephardic Haggadah will be valued by Sephardim and Ashkenazim alike. Rabbi Angel provides a new, readable translation of the classic haggadah text. Added to it are some selections in Judeo-Spanish as well as the popular "Bendigamos" blessing after meals. This special edition of the Haggadah includes a running commentary, drawn from the teachings of Sephardic sages throughout the generations, with insights from such Sephardic luminaries as Rabbis Moses Maimonides, Yitzhak Abravanel, Hayyim Y. D. Azulai, Benzion Uziel, Hayyim David Halevy and many others, ancient and modern. The haggadah also includes a number of Sephardic customs which will enrich anyone's Passover Seder. Rabbi Marc D. Angel is rabbi of the historic Congregation Shearith Israel in New York. He received his rabbinic ordination from the Rabbi Isaac Eickman Theological Seminary and his doctorate from Yeshiva University. He is the author of four books: *The Jews of Rhodes*, *La America: The Sephardic Experience in the United States*, *The Rhythms of Jewish Living* and *The Orphaned Adult: Confronting the Death of a Parent* and has published numerous articles for both scholarly and popular audiences.

Just the right size and includes various popular Sephardi customs as well as the WHY also there is some Ladino text. We plan to use it this year at second Seder.

Excellent Sephardi Seder sefarim! Basic Seder for Pesach! Lots of great Sephardi commentary, and simple straight-forward format...

I was very excited about hosting my first Seder. Very easy to follow and a lot of interesting facts. My seder was better than excellent.

This is an easy readable Haggadah in Hebrew and English, The book also contains Ladino, after meal blessings and useful terms' definition, or explanations.
