A poem each day shared with your sweetheart is a great way to start the day!

Love this idea for my boyfriend. Love to leave him little love notes. Thought this would be fun too.

His writing once again proves why I keep reading his books

Love

I love these. And they would make really cute stocking stuffers or just a nice gift. Each poem is on an individual sturdy card that you can tear out if you wish.

All of these are great little excerpts from his poems! They are more romantic, though, so you won't use for everyone.

adorable and sturdy! using for notes to the bride at my sisters bridal shower
