We decided to home school our daughter and realized a great deal of the expense would be from the purchase of books. help to eliminate some of that expense. This book was exactly as described and came in record time. THANK YOU!!!

This is a great 8th grade history textbook. It talks about prehistoric Indians to 1877 and gives some details of events past of 1877.

clean, fast shipping

This is the first "larger product" in our kitchen collection. Thus far (one week), it is sharp, performs well for chopping and slicing, and has excellent balance and weight. Time will tell how it retains its

edge and resharpens. so fast, receive it next day , for my family , perfect. Nice and valuable.
