Random House Webster's Pocket Grammar, Usage, and Punctuation is perfect for students, business, and anyone who cares about the correct use of English. "Includes: - Clear and concise explanations of English grammar with plenty of examples- Common grammatical and stylistic errors and how to avoid them- Quick reference to commonly misspelled words- User-friendly guide to punctuation and capitalization- Easily confused words and how to tell them apart- Convenient pocket size that fits into backpack, purse, or briefcase

I am an editor. This book is a highly functional resource enabling quick and easy look up of common grammar rules/guidelines. Its compact size makes it easy to tuck into a laptop bag and carry. And

while the reading is rather dry, I also often take it along in my purse for quick reading to keep concepts fresh.

I have an English class coming up and I needed this book. It's exactly what I expected except really small. Like, extremely small. Don't get it if your eyesight isn't too good.

I teach high school level English. I'm tired of bulky textbooks that are too difficult for students to really use. I can provide the review sheets myself so I decided to purchase some easy to use handbooks for student reference. This is small and organized in such a way to make it simple to use. I can put them in table-top organizers around the room. I only regret that I could only locate 4 copies so far. I'll find more!

As a college student I was required to purchase this book and though it was a great concept of having a pocket sized grammar book versus a heavy textbook however I found it pretty annoying with the text and felt that there could of been more information/examples. Other than that it was okay.

just what i needed for my English class and at a fraction of the price from the school bookstore

I had to buy this book for my english class. Luckily it was super cheap and the only one I needed, It has a ton of info inside and its small size looks good on any desk/bookshelf.

Great I use it for my English class and it very small so easy to travel with.

Item was shipped quickly and it was brand new as described!
