Lauren A. Cohen, Esq., a graduate of Osgoode Hall Law School in Toronto, Ontario, is a lawyer licensed in the U.S. and Canada. She is an active American Immigration Lawyers Association (AILA) member and many other professional groups. She has firsthand knowledge of the visa process, having become an American citizen in 2012 following her immigration journey to the U.S. from Canada. After several years working as corporate counsel while tapping into the field of immigration law, Lauren combined her legal knowledge and business acumen to create e-Council Inc., a virtual company offering concierge turnkey business immigration services ranging from professional business plans to comprehensive project quarterbacking for all types of business visas. In response to increasing requests to fix early-stage projects either prior to or after filing, Lauren recently established The EB-5 Clean-Up Crew to assist business owners that have met roadblocks in putting together their EB-5 packages. She also developed an EB-5 Certification and Monitoring Program reflecting a recognition of a need for improved audit and reporting procedures on the part of issuers to investors. The goal in all of Lauren's business endeavors is to help clients achieve their version of the American Dream. Lauren is an inspired speaker, bringing passion and insight to the topics on which she speaks, ranging from business immigration to finding balance as a single mom entrepreneur. Lauren connects with her audience thoroughly through relatable experiences and engaging questions-and-answer sessions. She combines business savvy, experience, and legal skills to educate and inform, while focusing on the human element of finding the balance in life, eliminating many misconceptions around these topics. Lauren is also community-oriented and a philanthropist. She recently founded Find My Silver Lining, a nonprofit whose goal is to inspire single working parents, to persevere through challenging times as they strive to lead fulfilling lives. Find My Silver Lining will fund Zevi's Silver Lining, a program established in affiliation with a local nonprofit that is designed to match children with willing grandparents in the community. Lauren's goal is to expand the reach of Zevi's Silver Linings to other communities throughout North America. A regular writer and contributor to books and other media globally, this is Lauren's first book. I am a real estate developer with EB-5 experience, and this book was quite insightful. Several topics regarding immigration and business investment are covered in depth, in an easy to read style. I recommend it as an excellent read for anyone interested in the immigration and business visa process.

What a great read. Lauren has an amazing ability of making a difficult process seem simple. This is my new go to book!

Loved the book! Lauren is THE expert in investor visas and makes the subject easy to understand for everyone. As an immigration attorney, I get a ton of questions regarding investor visas. This is now my go-to book to share with my clients to help them understand the investor visa process and help them make the best choices for their future. Highly recommended.

Too often "experts" in an industry fail to teach the next group coming behind them the lessons learned from their experiences. Lauren does a great job communicating her vast knowledge of a difficult space and everyone working in this market should read this book. Thanks for putting it out and for your continued work.

Business immigration is a complex topic and many visa applicants don't know the options available to them or how to navigate the application process. In Finding Your Silver Lining, Lauren Cohen has successfully laid out, in an understandable way, the different visa options and their requirements. It's a must-have book for anyone interested in coming to the US to work or start a business. It's also helpful to those already in the US hoping to change their current status. Well done!

Lauren has nailed it! Through this insightful guide, she's made the complex world of business immigration much simpler and easier to understand!

We've all heard the topic on the news - EB35, politics, Trump administration, China, etc. - now finally, here is a guide to explain it all and have it make sense. This is a must read for all business strategists, foreign investors, immigrations attorneys, and those seeking investment. Read it, study it, gift it and keep it on your bookshelf. You won't be disappointed!

You can tell that Lauren Cohen writes from experience. Fantastic read! Especially if you want to learn more about the U.S. immigration system
