Customer Reviews

Worst choices about where to stay (did they pay you to recommend those hotels?) and what part of the city to stay in. Recommendations for dining were not any better. It is not generally a good idea to purchase the combination attraction passes. You should add up the individual cost of what you will actually visit and then determine whether to purchase a combination pass. This entire book seems like one big paid advertisement.

Easy quick read but not good for a first timer visit. I would have preferred more action and less turn left on this street.

There is a Aack of detail. The links to the maps direct you to Turkey. Not worth paying for this information.
