Synopsis

Nate the GreatWhen Nate gets an urgent call from Annie about a lost picture, he immediately plunges into his new and baffling case with the cool detachment of a Sam Spade. Nate, the boy detective who "likes to work alone," solves the mystery and tracks down the culprit. In the process, he also discovers the whereabouts of Super Hex, the missing cat.

Nate the Great Goes UndercoverNate the Great has his first night case! Somebody is raiding Oliver's garbage can each night, but who? The list of suspects is long. Nate courageously encounters a skunk and a telephone pole, but not until he goes under cover of the garbage can lid does he narrow the suspects down to one.

Nate the Great and the Halloween HuntIt is Halloween night and Nate's good friend Rosamond needs his help. Her cat Little Hex is missing. Little Hex hates Halloween, so maybe he is hiding. Or is he lost? Nate and his trusty dog, Sludge, take the case and hunt in the night for Little Hex. They pass robots, pirates, and witches. But where will they find Little Hex?

Nate the Great and the Monster MessNate loves his mother's Monster Cookies, but now her recipe is missing! Nate the great has never solved a case for his mother before. Can he do it? With his dog, Sludge, they look, sniff, climb up, bend down, push, and pull. Can Nate the Great ever hope to eat those wonderful cookies again?

Excellent book for 1st-2nd grade!

Seems that boys, especially my 6 year old grandson, loves it. Will get more of the Nate the Great books.

My 5 year old cannot get enough of these books!

I've just started a collection of audiobook CDs for long car rides with my kids, aged 7 and (just) 4 -- this is one of our favorites. The stories are well written, and the narrator is great. This is my favorite of the Nate the Great CDs -- several of the others include collections of practical jokes or tricks to do with household items between stories, not so relevant in a car.

I have a son named Nathan and when he was in school he was Nate the Great. It was a thrill to read Nate the Great to his son. Fun story. I asked him if he knew who Nate was and he said "my daddy". Cool

I sent as gift to my great grand niece and her grandmother-teacher read it to her. She gave it a big thumbs up - said she was attentive and answered all her questions perfectly. I would recommend it as a great book that's not based on the usual animals, but a step up into a different aspect of life.

Reading this with my grandson and he loves it! He is not an avid reader but he asks to read this book!

Sweet story. Not very exciting for a grandchild that's interested in Captain Underpants.
