I am college student, and was looking for something short but also personal. "Trusting God Day by Day" offers a verse, a short summary, and a challenge for you to reflect on. I have only read about a months worth of devotionals, but this book seems to encourage tackling negativity and guilt. I highly recommend this book for someone who wants to work on becoming more positive and understand God's grace more intimately.

I bought it for myself and then bought it for 2 other friends. It can be a little hard to understand with all of the bracketed sections, but you will get the jist of it. I like how Joyce uses situations in her own life to illustrate or give an example of the bible verse for the day.

I was excited to receive this devotional because of the great reviews but I was highly disappointed. It felt like there wasnt much thought put into writing each entry. I am a 24 year old female so Im not sure if Im just not in the same chapter of life that shes writing for but I'm in the process of trying to return the book.

I absolutely love with book. I originally told myself that I'd read one a day, but I haven't kept up as I wish I would, but regardless of that these devotions uplift me. The devotions are about a page each (this isn't a full size book, it's the size of a large index card) & have varying themes. For some, these devotions may be generic, but for me that hold wisdom that I'm sometimes not able to summon by myself. This book is a good guide to use, but it's not a thing you'd use for Bible study. I HIGHLY recommend!

I bought this as a gift for a friend and she loved it. It's a good "meaty" daily devotional. My friend would send me pictures of parts of the devotional and telling me how much she loved it.

This is a fabulous devotional because it covers real issues the average person encounters in their daily life. It is a great mix of encouragement & wisdom balanced with a loving kick in the pants when needed, which is Joyce's style & I love it. It's a great book to strengthen your walk with God.

I had the book a few yrs ago until someone stole it :/ but in person it is a beautiful book. Now I have it for kindle I finally bought it again because I've really missed having it to read every day. I am definitley getting some more Joyce Meyers, of course we all know she's an amazing author and if you're reading this & you don't know-- well, she is. A must-have for me for my daily spiritual

guidance. Gives me time for meditation with God in my very busy hectic days with a newborn, 2 & 1/2 yr old, 14yr old, 2 dogs, 2 cats & I am also a recovering addict & alcoholic & this book is very special to me on my journey

A perfect book for anyone that wants to grow in their faith! Learning to trust God and put your life in His hands takes work and is a process, like anything else worth learning and understanding, but once you do your life becomes clearer, better, more peaceful. This book, with its smart, brief daily insights, is an excellent way to begin to make that happen. Joyce Meyer knows what she's talking about! Highly recommended!!
