Praise for Richard A. Wolters: "The most popular method ever. Because it works and it's easy!" • Field & Stream on Family Dog: "Gun Dog" is one of the most valuable, probably THE most valuable, training tools the average amateur could have. • Sports Afield: "Water Dog" is a classic • definitely the place to start with your new retriever. • David G. Meisner, Editor and Publisher, Gun Dog magazine: "Anyone who wants to try turning his dog into a well-mannered retriever will do well with Water Dog." • The New York Times: "Wolters has produced a solid book that will be of great help to anyone training his retriever to work. He is an

acknowledged master in the field and an excellent instructor.â•â•Dog

RICHARD A. WOLTERS was a leader in applying the scientific discoveries of animal behaviorists to dog training. His books on trainingâ•Game Dog, Water Dog, Gun Dog, Family Dog, and Home Dogâ•are recognized as classics in their fields. His historical book, The Labrador Retriever: The History...The People, was chosen as Best Dog Book of the Year by the Dog Writers Association of America. In 1984 the DWAA honored Mr. Wolters as both Writer of the Year for Game Dog and Columnist of the Year for his popular column â•“Gun Dogâ•in Gun Dog magazine. Well-known for his lectures and seminars on retriever training, Mr. Wolters also was a president of the Westchester, New York, Retriever Club, as well as a vice president and director of the North American Hunting Retriever Association, which he was influential in founding. A veritable Renaissance man, Mr. Wolters worked as an atomic scientist, fine-arts teacher, photographer, and as picture editor at Sports Illustrated. His sporting interests included hunting, angling, bobsledding, ballooning, and soaring in sailplanes, in which he held the highest rating.

I loved this book! My friend told me to get it when I got my goldendoodle puppy. It was our night time reading in the weeks leading up to picking up Lola. We followed this strictly and my dog is not perfect but she is very well behaved and will do anything for her duck toy (which has been obliterated a few times). I bought this for my friend who is getting a new Golden puppy.

I am now training my 5th dog using Richard Wolters training methods. I could not locate our old copy of water dog so I purchased it again. Our dogs were all fantastically trained and the envy of all other dog owners we've known. Wolters was a blessing to our family as his methods turned our dogs into great blessing to us. I consider all 5 books of his that we own family heirlooms. No one should ever get and train a dog without this or any of his other books.

It is the most comprehensive way to train your dog for hunting & home. My lab will actually hold birds in covey Quail situation. Sold my Setters, don't need them. Week by week instruction is spot on for the development stages of your dog in this book. This is my 2nd copy purchased. Getting a new puppy, can't think of training it without Water Dog.

Has been a great help to us while training our lab. Tried and true.

I am on my fifth lab and always used Richard Walters "Water Dog for my training" Unfortunately I gave the book to someone else who gave it someone else so I had to buy another one. The author's style of training is a little different than most professional trainers in that the training starts at 7 weeks.

Good Book.....

Great book to train your dog by.

This gentlemen is simply one of the best I have had 3 labs and a boxer in my lifetime and trained all of them using either family dog, water dog, or gun dog. My labs and boxer were and are some of the friendliest, loving, and well manner animals I have ever been around. Mr Wolters knows how to train dogs.
