Richard Scarry's Busiest People Ever!

Synopsis

Back in print after twenty years! Now readers can once again follow all the busy people who keep Busytown running smoothly. Everyone's favorite friends are there: Huckle Cat, Lowly Worm, Sergeant Murphy, bumbling Mr. Frumble, and more. Preschoolers learning about their communities will enjoy seeing the inner workings of a farm, the harbor, the airport, and even the busy Cat household! This classic book, from the one and only Richard Scarry, will bring hours of fun to a whole new generation.

RICHARD SCARRY is one of the world's best-loved children's authors EVER! In his extraordinary career, Scarry illustrated over 150 books, many of which have never been out of print. His books have sold over 100 million copies around the world, and are currently published in over twenty languages. No other illustrator has shown such a lively interest in the words and concepts of early childhood. Richard Scarry was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

My kids loved the books by richard scarry years ago, so I bought this one for grandkids. Im going to collect several different ones for them. My kids never tired of reading this book several times a

week. They loved the pictures and memorized the words.

Lowly Worm, Goldbug, Sergeant Murphy...Richard Scarry enthralled my two sons and now 30+ years later my twin grandsons. These are books toddlers can spend hours with on their own (yay!). Goldbug isn't in this one, but the boys enjoy looking for Lowly in all kinds of crazy places, not to mention checking out all the movement and funny characters (Bananas Gorilla appears in this book). So, two generations and still a very favorite. I was delighted to find this book via an seller, and at a good price.

my grandkids love these books, mostly for the busy drawings

The book came promptly and in great shape. The stories are fun and the kids love to listen to them again and again. The illustrations are great and you can spend tons of time looking at all the details.

My children had this book when they were little and we read it almost every day, so when my first grandchild came along I had to have a copy for him (I couldn't give up mine!). The condition was actually pretty good, the pages were fine, but the cover showed wear. What can you expect for a used book. This book isn't corny like some of the newer ones.

I love this book. My boys are coming up on five and they are fascinated by the incredible richness of what is going on in each page. There are games to be played during the reading of this, like "Where is Lowly Worm?" in each picture. I remember enjoying this back when I was a kid, and even now in this world of high tech graphic stimulation, there is still a place for Richard Scarry.

Thanks!

I read Richard Scarry books when I was a child and I love that my children are now reading them too.
