Customer Reviews

Dr. Tom Morgan is a master chiropractor and an exceptional human being. His stories and experience will benefit any chiropractor. I highly recommend this book.

This is a book that should be studied not just read by lay people and chiropractors -- Another title for the book could be "An encyclopedia of how to live a more healthy successful family professional financial God centered life and a lot about Chiropractic" I enjoyed it -- buy it I don't think you will be disappointed Bill King

This book was great for my chiropractic soul! It is just what I needed to stayed dipped into the amazing world of chiropractic.

If you're in the market for antiquated material, look no further than Dr. Morgan. Yet another chiropractor trying to establish themselves as an "expert" by recycling age-old techniques. Pro-tip: Don't buy it.
